

EDUCATION

National University of Singapore

Bachelor of Business Administration (Honours), Specialisation: Business Analytics, Finance

Aug 2020 – May 2024

- **Cumulative GPA:** 4.24/5
- **International Exchange:** One of seven students to represent NUS at Indiana University located in Bloomington, Indiana

PROFESSIONAL EXPERIENCE

KPMG

Associate (Advisory - Technology Consulting)

Jul 2024 - Present

- Led the end-to-end implementation of multiple Workday modules (Journeys, Help, and Time Tracking), overseeing requirements gathering through configuration, testing, and deployment, while driving functional system design and ensuring seamless integration with the client's digital ecosystem
- Partnered with client to translate complex business requirements into actionable system specifications, facilitating clear communication and stakeholder alignment, and delivering tailored solutions that bridged operational needs with system capabilities
- Crafted change impact assessments, quick reference guides, and go-live communications to support end-user readiness and adoption, aligning deliverables with stakeholder needs, ensuring a smooth transition and sustained engagement across the two modules
- **[Secondment]** In a bank's AML Operations team, managing daily filings for account closures and unusual activity reports
- **[Secondment]** Leveraged advanced Excel functions and VBA to develop a dashboard, enabling real-time tracking of case numbers, dates, and statuses, improving operational efficiency and data accuracy

Accenture

Business and Technology Intern (Project Cumulus – implementation of cloud ERP through Workday)

Jan 2023 – Jun 2023

- Assumed a pivotal role within the Test team, demonstrating problem-solving capabilities by overseeing status tracking and proactively resolving complex issues for 10 government agencies and internal functional teams, ensuring project adherence on its planned course
- Assisted with the development of key quantitative metrics using Excel and SharePoint, methodically designed to monitor real-time execution status of test cases and defects log throughout the 3-month testing period, significantly heightening quality control
- Managed diverse stakeholder groups, including clients and internal team, through effective communication by orchestrating and facilitating productive meetings to align on process optimisation, cultivating a harmonious relationship among all parties involved

Sachi Skin

Business Analyst Intern

May 2022 – Jul 2022

- Analysed product competitiveness through a competitive landscape analysis to formulate pricing strategies for new product development, collaborating cross-functionally with Merchandising, maximizing revenue opportunity across customer segments
- Developed Excel-based dashboards with Marketing to monitor product performance, sales conversion via affiliate marketing, and effectiveness of giveaways, empowering management with data-driven insights, boosting sales by 4% in product sales over the term

LEADERSHIP EXPERIENCE AND EXTRACURRICULARS

KPMG

Touch Rugby, Captain (formerly Vice-Captain)

Jan 2025 – Present

- Planned and coordinated team participation for KPMG's internal Sports Day and the ISCA Games, while organising and facilitating regular trainings to drive performance, foster team cohesion, and fielding two teams that placed 2nd and 3rd at the 2025 ISCA Games

National University of Singapore

World Vision, Management Consulting Practicum

Aug 2023 – May 2024

- Constructed comprehensive reports outlining research-backed strategies based on online research and market surveys to effectively engage Gen Zs and Millennials in charitable giving, while emphasizing the importance of recurring Child Sponsorship programs

Willing Hearts

Kitchen Volunteer

Nov 2021 – Dec 2021

- Volunteered at a Soup Kitchen, ensuring sufficient food for 11,000 meals for the elderly, disabled, and low-income beneficiaries.
